Elizabeth Namanny, JD/MBA
Trustmark National Bank

Elizabeth Namanny is the Wealth Management Finance & Risk Officer for Trustmark's Wealth Management Division and is responsible for Trustmark's SSAE18 process, risk management within the first line of defense, and managing the Tailored Wealth Special Assets unit for trust owned unique assets. Trustmark Wealth Management's Tailored Wealth group has approximately 11.5 billion in assets under administration as of December 31, 2020 and offers both Institutional and Private Wealth services specifically including investment management, custodial, employee benefits, and trustee services.

Ms. Namanny has over twelve years of experience in the fiduciary world with the last nine being at Trustmark. She earned a JD/MBA from Mississippi College in Clinton, Mississippi in 2008 and is sworn to practice before the Mississippi and Tennessee Supreme Courts.
