

## **Robert Dray**

Mr. Dray is the Managing Director of Trust Special Assets at MB Financial Bank, N.A. in Rosemont, IL. In this role, he is responsible for creating strategy and leading delivery of Specialty Asset Services for the Asset Management and Trust Group. This includes residential, commercial and vacant real estate, farm and ranch properties, timberland, oil and gas interests, mineral interests, partnership interests, closely-held business interests, and tangible personal property interests.

Prior to joining MB's Wealth Management division Mr. Dray managed the day-to-day operations of the bank's Other Real Estate portfolio, which consisted of residential and commercial land development, multi-family, fractured development projects, office, retail and industrial assets.
