

Hunter Craig, Managing Director, Head of Research, Head of Multi-Manager Solutions

Mr. Craig's career at Highland spans 19 years. He serves as the firm's Head of Research, Head of Multi-Manager Solutions, and chairs Highland's Investment Working Group, which is responsible for investment strategy and oversight. As Head of Research, he stewards original research that informs our views on relative risk and return across asset classes and geographies. As Head of Multi-Manager Solutions, he is responsible for execution and oversight of Highland's internally managed proprietary investment funds.
